

The Demand for Skilled Talent:
2022 Hiring Trends

Growing your staff in 2022? Here's how to bring Batman on board and not The Joker

The Demand for Skilled Talent is your look into the hiring trends making noise across the country. Learn why strong job optimism among U.S. workers is signaling career moves on the horizon. Explore the new hiring and retention challenges employers are facing as they adapt to the needs of a more mobile workforce. This presentation also delves into the latest numbers on hiring, hybrid work and the cost of a bad hire.
